Racing Pads (Z04 compound)

Brembo Racing present its range of high performing racing brake pads. These racing pads are exclusively developed for the highest levels of racing use and have been designed to give top performances in extreme situations. The main features are a high braking control, a more stable system, an increase in braking power, resistance to higher temperature and low wear. The pads are easy to bed.

Brembo Racing Z04 compound is used in the world Superbike & Supersport Championships and are now available for Supertock, Motocross and Supermotard applications.

Brembo Racing presenta la nuova gamma di pastiglie racing ad alte prestazioni. Queste pastiglie sono state sviluppate esclusivamente per le competizioni di alto livello e sono state progettate per offrire il massimo delle prestazioni nelle competizioni più estreme: maggiore controllo della frenata, stabilità dell'impianto, aumento della potenza frenante, resistenza alle alte temperature ed usura ridotta. Sono inoltre facili da rodare.

La mescola Brembo Racing Z04, utilizzata nei Campionati Mondiali Superbike e Supersport, è ora disponibile per applicazioni Superstock, Motocross e Supermotard.
